**PETITION TO WITHDRAW HOLDING OF ABANDONMENT
UNDER 37 C.F.R. § 1.181**

Applicants respectfully request the withdrawal of the Notification of Abandonment mailed by the United States Patent Office with regard to the above-identified application on the basis that the Notification was issued in error. The Notification of Abandonment states that "Applicant has failed to provide the full U.S. Basic National Fee by 30 months (37 CFR 1.495(b)(2))".

Applicants herewith attach the Transmittal Letter To The United States Designated/Elected Office (DO/EO/US) Concerning A Submission Under 35 U.S.C. 371 which was submitted at the time the above-identified application was filed (attached

hereto as Appendix A), along with a copy of the postcard which indicates that said form was submitted at the time the application was filed with the U.S. Receiving Office (attached hereto as Appendix B). Page three of the Transmittal Letter clearly authorizes the payment of fees from Deposit Account No. 50-1951 and also authorizes the payment of any additional fees which may be required. Accordingly, Applicants maintain that the U.S. Basic National Fee was paid by 30 months and respectfully request that said Notification of Abandonment be withdrawn and said application be passed to examination.

Applicants further maintain that the present petition does not require the payment of a fee. However, if the Director finds that said petition does warrant the payment of a fee, Applicants request that Deposit Account No. 50-1951 be charged.

Respectfully submitted,
